## 2. **Membership aims and objectives**

- 2.1 We are a membership organisation and aim to attract people from the communities we serve to become active members of the Association. We provide a range of opportunities for engagement with us and believe residents can participate and get involved with us should they choose to be more involved. We aim to encourage a wide and active membership by recruiting as members, individuals with an interest in the work of the organisation, and to make effective use of the skills, experience and to capture the views of our members to influence service delivery and improvements.

- 2.2 Members of the Association, either individual or as an organisation are those who actively take an interest in our work, who demonstrate a commitment to our communities and wider area, and who hold a share in the Association. Members who hold a share certificate have their names entered into the Register of Members referred to by our Rules. Local councilors, nominated by East Renfrewshire Council, or elected members of Parliament or member of the Scottish Parliament, can become members of the Association.
- 2.3 Our governing Board is recruited from our membership. We aim to ensure we have a diverse range of members on our Board to ensure we represent our tenants and residents, have the skills and experience required, have local knowledge and professionalism to ensure the Governing Board can lead and direct the Association to achieve good outcomes for tenants and other service users.
- 2.4 The aim of this policy is to promote good governance of the Association and to ensure the proper accountability of our Governing Board by having a membership that is both open and widely reflects the communities that we serve.

### **3. Promotion and participation of our Membership**

- 3.1 The Association will promote membership and encourage participation of members by circulating information on membership to tenants, our local residents, our service users, local community, and representative groups and housing advice agencies.   - The complaint must be in writing and must relate to behaviour which could harm the interests of the Association
  - The Secretary must notify the member of the complaint in writing not less than one calendar month before the meeting takes place
  - The notice of the special general meeting will give details of the business for which the meeting is being called
  - The member will be called to answer the complaint at the meeting. The members present will consider the evidence supporting the complaint and any evidence the member decides to introduce

- The members can vote in person or through a representative by proxy
- If the member receives proper notice but does not go to the meeting without providing a good reason, the meeting will go ahead without the member and the Members will be entitled to vote to end the individual membership.

7.2 If the membership is ended in accordance with the above, the member will immediately cease to be a member from the date that the resolution to end the membership was passed and any further application for membership by that individual member will need to be approved by two-thirds of the Members voting at a general meeting.
